

Eye Care and Cure Launches new Website

[Tucson, AZ - May 26, 2014] – Eye Care and Cure is excited to introduce our new website. The new design provides 24/7 access to thousands of products for eye care professionals and offers new features that will make your online experience easier and faster than ever.

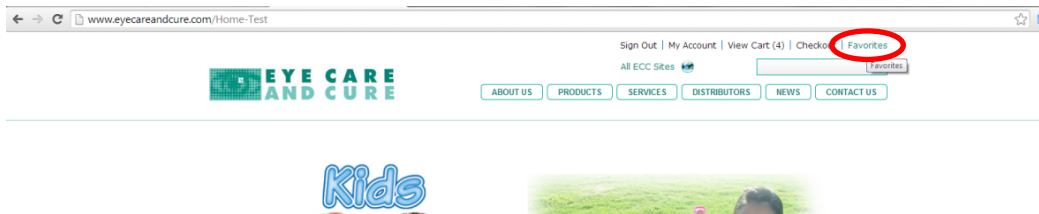

Key Benefits:

Mini-cart: View and update quantities in your cart in real-time

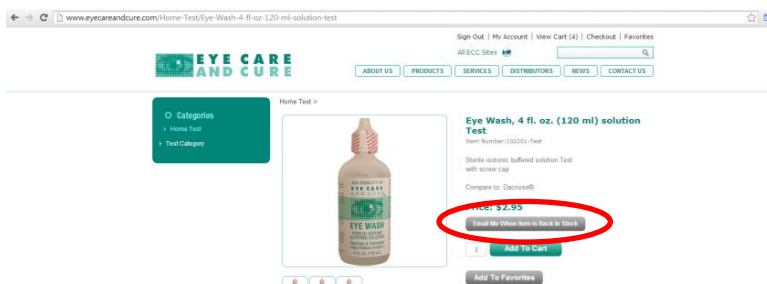

Saved Cart: Most web browsers will allow you to put items in your cart and come back to a pending order later – a big plus in a busy practice

Favorites: Mark your favorite items so you can quickly add them to the cart

Back In Stock Notifications: We make it easy to receive notifications on products that are on manufacturer's backorder. Be the first to find out when items are back in stock.

Online Only Specials: Increase your savings with our bi-weekly online only specials.
